CONTINUING EDUCATION CONTINUING

"Tell Me Doctor" will be featured on two Mondays, October 7th and 14th, at the Bladensburg High School when Dr. Peter Fine, Director of Gallaudet's Health Service, explains a few basic common medical problems. Most of the class time will be reserved for questions and answers about your health or your children's.

Here is a chance to ask questions and get answers you can understand. Dr. Fine is one of the few doctors in the country that are deaf.

Class time is 7:30 to 9:30 p.m. in the Bladensburg High School, 56th Avenue and Tilden Road, Bladensburg, Maryland.

LATE FOR WORK AND WHERE TO PARK???

TO: Students, Staff and Faculty
FROM: Parking Committee
SUBJECT: Campus Parking

As you know, the construction for new facilities has resulted in a parking situation which is more inconvenient than has been the case in the past. However, the parking privilege is still free and we still have adequate space for all cars on the campus.

Although we urge you to re-read the "Gallaudet College Motor Vehicle Regulations Manual," we again request that everyone obey the regulations and cooperate with us during this construction period. For your information, we would like to point out that:

1. The auditorium lot has been expanded to include an auxiliary lot east of the auditorium; and this lot includes an additional 102 lined vehicle slots;
2. Resident students are not allowed to park on the Hall Memorial Building lot between 7:30 a.m. and 9:30 p.m. on school days.
3. Please do not block loading areas or garbage dumpsters - if these areas are blocked, it could create a health hazard;
4. We have instructed the campus security officers to strictly enforce the parking regulations, effective September 16.

Tickets are courtesy of the Department of Physical Education and Athletics but will not be valid during any conference championships hosted by Gallaudet College.

To acquire your complimentary ticket, please contact Ms. Hughes or Ms. Bell on extension 761, or stop by the office. Students have indicated that they desire informal opportunities to meet and talk with faculty and staff personnel.
